

WHAT'S NEW

NEW CBS WEBSITE!

CBSBerkshires.com

Our new website is up and running! Stop by CBSBerkshires.com to check out all the new updates. We've added a picture gallery of our work—past and present—and lots of information about us, our approach to house building and all the services we offer. You'll love the new site...we sure do. Built and maintained by Housatonic Creative (www.HousatonicCreative.com).

KIDDIES

Sarah and "Beezer" in charge.

Congratulations to Sarah Stiner and Michael "the Beezer" DuPont. They have new kids. Not together but separately. Sarah and her bff Ned are the proud new parents of Gabriela, a 2 year old cutie-pie from Guatemala. Mogley, as she's known to the office folks, was acquired and/or adopted in February 2007 through legal channels and is now, officially a resident. She turned 2 on January 30th....Feliz Cumple Años they say.

Gabriela Stiner

That brings us to Michael "Beezer" DuPont, CBS's most-accomplished hammerist. He and his lovely wife Ellen were blessed with a new baby girl named Mya. Mya DuPont was born in November and she is much cuter than Beezer. Not to say that Beezer isn't cute. He's damn cute but Mya definitely puts him to shame. We're still looking for a picture of her and Beezer.
